John Lyons
of the
Back Country Horsemen of America

A Chautauqua Program Presentation

BCHA Spokesman John Lyons presents an hour of information and stories about the accomplishments of the Back Country Horsemen of America with stories from 341,502 hours working trails within the Top of the State chapter of the BCHA.

If you're a hiker, biker, or horseback rider that has explored the trails of Siskiyou County, you'll already have enjoyed the benefits of the BCHA who work tirelessly and unseen to clear trails and preserve the safety and continued enjoyment of your outdoor experiences.
