## **Present Chautauqua #7:**

**“60-Years With Bees”**

**Willie Thompson**

**Date: March 17, 2018**

**Time: 7:00 P.M.**

**Location: Yreka Library, 719 4<sup>th</sup> Street, Yreka**

**Mr. Willie Thompson has spent a large portion of his life with bees—thinking about them, trying to understand and manage them and appreciating their role in nature. Willie uses his amazing observational skills to learn more about both bees and the plants that provide pollen the bees require. Mr. Thompson is also a natural teacher and enjoys sharing his knowledge with others.**

**Please join Willie for an evening when he will share 60-years of experiences and insight working with and observing our amazing friends, the bees.**
