Cal-Ore Communications representative Rodney Wood appeared before the Board, providing a brief overview of the request to provide broadband service to various areas within Siskiyou County. Mr. Wood presented a powerpoint, including an overview of Cal-Ore's service area, service delivery types (i.e. fiber to premise, DSL (digital subscriber line), traditional fixed wireless and NextGen fixed wireless), the Company's coverage area statistics as an Incumbent Local Exchange Carrier (ILEC) (landline service), Competitive Local Exchange Carrier (CLEC) and number of customers and service territory. Mr. Wood summarized various achievements, fiber to premise locations, recent fiber builds in 2022 and 2023 and upcoming fiber builds planned for 2024.

In response to Supervisor Valenzuela, Mr. Wood summarized typical costs associated with Cal-Ore's services.

Mr. Wood continued the powerpoint, advising that Cal-Ore was awarded \$42 million from the ReConnect 3 and ReConnect 4 program for connecting to gigabit fiber service in rural areas and summarized local areas that would see development. Mr. Wood additionally summarized the process to upgrade existing fixed wireless sites and equipment to NextGen fixed wireless.

Discussion followed between members of the Board and Mr. Wood regarding typical service costs, various internet service statistics (i.e. speed, upload/download, impact of the age of a customer's equipment), the impact of the Rural Counties of California's (RCRC's) Golden State Connect Authority (GSCA) efforts to bring broadband to rural areas and Cal-Ore's impact as an employer in the Butte Valley area.

**Public Requests - Tulelake Police - Presentation of an update re public safety concerns, including damage to buildings within the City of Tulelake due to dropping water tables. Presentation and discussion only.**

Tulelake Chief of Police Thomas Hoy appeared before the Board and provided an overview of the request to update the Board on public safety concerns in the City of Tulelake. Chief Hoy provided photos (shown on the powerpoint screen) of two buildings the former Mallard Building and the Bowling Alley, that were falling apart and threatening to collapse. Chief Hoy advised of the efforts made to contact the buildings' owners, sharing concerns that one owner was not able to afford repairs and the other could not be found/contacted. Chief Hoy further advised that the City installed temporary fencing around the privately-owned buildings in order to minimize access to the collapsing structures. Chief Hoy summarized the efforts made to contact the State, sharing concerns regarding the lengthy timeframes associated with State required testing for asbestos and lead paint before any action could be taken to potentially demolish the structures and minimize the risk to member of the public. Chief Hoy requested Board input with regard to the situation.

Chief Hoy introduced Tulelake Public Works Director Jose Perez who appeared before the Board. Mr. Perez shared concerns regarding the lowering of the water table beneath the City in recent years, perhaps due to the dewatering of the surrounding farmlands and wildlife refuge. Mr. Perez voiced concerns regarding the negative impacts associated with the lowering water table on other buildings in Tulelake.

Discussion followed between members of the Board, Chief Hoy, Mr. Perez and Office of Emergency Services (OES) Director Bryan Schenone regarding similar impacts seen at the Tulelake High School, concerns regarding the deteriorating condition of the two buildings, the State's inability or unwillingness to assist other than suggesting the City apply for grant opportunities, concerns regarding the need for a quicker solution for the two buildings, concerns regarding soil compaction in the surrounding farm lands and the OES Department's need for current and continuing costs associated with mitigation of the deteriorating buildings in order to assist with possible grant funding.

Supervisor Kobseff suggested drafting a letter to State representatives regarding the urgent nature/status of the two buildings in Tulelake and possible exemption to State regulations. Continued...

**Public Requests - Tulelake Police – (continued)**

Further discussion followed, including Tulelake Mayor Tom Cordonier, regarding a similar public safety issue in the City of Mount Shasta City, the need to contact legislators for assistance, the imminent nature of the public safety concerns as children walk to/from school close to the Bowling Alley building, the City's emergency declaration related to the impacts of the lack of water and sinking buildings, the need to advocate for measures to rehydrate the water table/system current and in the future and the potential for the Board to view the buildings during a tour planned for April 30<sup>th</sup>.
