

Basic Process Agreements

- Strive to focus on interests versus positions
- Foster mutual understanding
- Inform, educate, and seek input
- View challenges to be solved
- Be creative and innovative
- Negotiate in good faith
- Consider long-term view.

Basic Ground Rules

- Use common conversational courtesy and treat each other with respect
- Remember all ideas and points of view linked to the committee's charge have value
- Be candid, listen actively, and seek to understand others
- Share the air
- Avoid editorial comments
- Stay focused on meeting agenda
- Welcome levity and humor 😊
- Turn cell phones off or to vibrate

Butte Valley Draft GSP Chapters 3& 4

Today's Goals

1. Review Comment Response Process
 2. Review Comment Level Categorization
 3. Understand Comments Received
 4. Review Comment Level Summaries and Key Comments
 - Address Comment Level A Topics
 - Work towards building common understanding
 - *Discussion between Advisory Committee Members*
 - *Structured Public Comment Periods*
 - *Opportunity for Comment Clarification*
 - Identify Action Items and Next Steps
 - *What is still needed to reach consensus?*
 - Time Pending: Address Comment Level B Topics
-

Comment Response Process

- All comments received are cataloged
 - Comments are categorized at the level they need to be addressed – Staff or Policy Review
 - *Policy Review comments discussed internally between technical team, GSA Contact, Legal Counsel, and then with Advisory Committee.*
 - Staff will incorporate comments and provide edits to the document per internal discussions and discussions with the Advisory Committee.
 - Formal comment response will occur after public review of draft GSP.
-

Comment Level Categorization

A = Priority level topic that needs to be clarified/addressed/discussed during Advisory Committee meeting.

B = Topic that can be clarified/addressed/discussed during Advisory Committee meeting pending time or during an ad hoc meeting or offline.

C = Comments received and noted.

Legal = Comments requiring Legal review before further revision/action.

Draft Chapters 3 & 4 Summary
