Food Safety Certified Employee:	Expiration Date:

		MAJ	OUT	COS		
					The marked items represent Health Code violations and must be corrected as follows:	
Protection Time/ Temp.	1	Food Temp.		X	X	<p style="text-align: center; font-weight: bold;">ROUTINE INSPECTION CONDUCTED THIS DATE</p> <p>1) Observed shredded cheese held at 56 degrees F. Hold all cold food at 41 degrees F or colder. Dairy may be held at 45 degrees F or colder. Voluntarily discarded.</p> <p>7) Facility is not currently checking temperatures of the food as it is received or served to the students. A temperature log should be maintained to ensure that the food is received in the proper holding temperatures.</p> <p>20) Facility doesn't currently have a food manager certificate holder on site. Since the facility is serving potentially hazardous foods that are not pre-packaged, this is now a requirement. Obtain a new food manager certificate within 60 days.</p> <p>Note: Some refrigeration units were unable to be inspected since they were locked. Facility should have a key available so that these can be opened for inspection at all times.</p>
