Preamble

This agreement between the County of Siskiyou (County) and the Operating Engineers Local Union No. 3 (OE3), has as its purpose the promotion of harmonious labor relations between the County and OE3, and the establishment of rates of pay, hours of work, and other conditions of employment.

Recognition

The County recognizes OE3 as the exclusive representative for regular permanent employees in the classifications in Appendix "A" Recognition as amended.

Employee Rights

1. Non-Discrimination

The County affords equal employment opportunity for all qualified employees and applicants as to all terms of employment, including compensation, hiring, training, promotion, transfer, discipline and termination. The County prohibits discrimination against employees or applicants for employment on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age (40 and over), sexual orientation, Union membership, or military and veteran status or any other basis protected by law.

2. Right to Representation

When an employee is required to meet with a supervisor or manager and the employee reasonably anticipates that such meeting will involve questioning leading to disciplinary action, they are entitled to have a Union Business Agent or representative of their choosing present if requested.

3. Mediation of Disciplinary Matters

Upon submittal of an appeal of disciplinary action to the Board of Supervisors pursuant to the Employer-Employee Relations Policy, the employee may submit the matter to a panel consisting of the Deputy County Administrator – Personnel and Risk Management Officer, the County Administrator or designee, and two representatives of the Union, selected by the Union. The panel will review and attempt to resolve the matter. If unsuccessful, the appeal will be referred to the Board of Supervisors.

Association Rights

1. Employee Lists

The County will provide OE3 with the name, job title, department, home or personal contact telephone numbers, work and personal email, and home address of new employees within 30 days of hire, and a complete list of all employees every quarter.

2. Employee Orientation

Employees will be allowed 30 minutes to attend a Union orientation scheduled by OE3 within 60 days of hire. The employee must notify their supervisor reasonably in advance in order to secure this paid release time. Such time shall not be unreasonably denied.

3. Dues

Upon certification from OE3 that an employee has signed an authorization for the deduction of dues, the County shall make payroll deductions in an amount to be determined by OE3 and communicated to the County annually. The County shall promptly remit deductions to OE3 with a list of dues paying members. The County may transmit payment to OE3 through Electronic Funds Transfers (EFT). Employee requests to cancel membership dues deductions must be directed to OE3. Upon notification from OE3 that an employee has canceled membership dues, the County shall promptly cease dues deductions from the employee's paycheck. The County may only request a copy of a dues authorization in the event of a dispute, OE3 shall hold the County harmless from any and all claims and will indemnify it against any unreasonable costs in implementing these provisions, and shall indemnify the County for any claims made by the employee for deductions made in reliance on that certification, in accordance with Government Code §1157.12(a).

4. Public Information Requests for Employee Information

The employer will provide OE3 as soon as practical and prior to any response a copy of any third-party request for contact, biographical and/or demographic information about bargaining unit employees. The County will consider OE3's response to the request if received prior to responding to the Public Information Request. The County will not provide any party a membership list with contact information in a malleable electronic format.

The County will not permit non-exclusive representatives' access to employees represented under this Agreement in work areas or County property. This paragraph does not prohibit representation of an employee in the disciplinary process.

5. Stewards

OE3 shall designate a reasonable number of Stewards, who shall have the right to assist employees in resolving grievances, appeals and other work-related problems, and will provide the Deputy County Administrator - Personnel and Risk Management Officer annually on January 1 in writing the list of approved Stewards. Changes to the listing of Stewards shall be provided by OE3 as soon as possible after the change has occurred. The County shall recognize as Stewards only those employees named on the current list.

Stewards may be released from their assigned work duties by their supervisors for a reasonable period of time to process specific grievances or appeals on behalf of employees or OE3, and to fulfill their duties herein. The Steward shall request such time from their supervisor as soon as the need for it is known. Release time shall be scheduled

so as to minimize disruption of the work of the Steward and the County; however, request for such time may not be unreasonably denied. Where the supervisor cannot approve the specific time requested, they will inform the Steward of the reason and establish an alternate time when the Steward can be released. Stewards will email their supervisor and copy the Deputy County Administrator Personnel and Risk Management Officer when requesting release time. Stewards shall not conduct Union business on County time, except as specifically authorized by this Memorandum of Understanding.

Stewards shall be permanent employees and shall retain all the normal duties and responsibilities of the positions to which they are assigned. Stewards shall not receive overtime for time spent performing Steward functions.

The right to bump shall be within the employee's department only. The employee must submit a written request to bump an employee from another class in order for the County to consider their request. The County shall grant the request, if the rules of this section are met.

An employee bumped out of a permanent position due to this section, shall also have the right to bump, per this section.

Equivalent salary range means a range with a maximum salary which is more than the salary range for the class from which the transfer is sought. Concerted Activities

The parties to this Memorandum recognize and acknowledge that the services performed by the County employees covered by this Agreement are essential to the public health, safety, and general welfare of the residents of the County of Siskiyou. The Union agrees that under no circumstances will it recommend, encourage, cause, or permit its members to initiate, participate in, nor will any member of the bargaining unit take part in any strike, sit-down, stay-in, sick-out, slow-down, or picketing (hereinafter collectively referred to as work stoppage), in any office or department of the County, nor to curtail any work, or restrict any production, or interfere with any operation of the County. Picketing shall be prohibited on matters involving wages, insurance coverage, and leaves from work during the term of the MOU. In the event of any such work stoppage by any member of the bargaining unit, the County shall not be required to negotiate on the merits of any dispute which may have given rise to such work stoppage until the work stoppage has ceased.

The County agrees not to lock out employees.

In the event of any work stoppage during the term of this Memorandum of Understanding, whether by the Union or any member of the bargaining unit, the Union, through its officers, shall immediately declare in writing and publicize that such work stoppage is illegal and unauthorized, and further direct its members in writing to cease the said conduct and resume work. Copies of such written notice shall be served upon the County. If, in the event of any work stoppage, the Union promptly and in good faith performs the obligations of this paragraph, providing the Union has not otherwise authorized, permitted, or

encouraged such work stoppage, the Union shall not be liable for any damages caused by the violation of this provision. However, the County shall have the right to discipline, to include discharge, any employee who instigates, participates in, or gives leadership to, any work stoppage activity herein prohibited, and the County shall also have the right to seek full legal redress, including damages, against any employee. It is understood that employees so disciplined retain appeal rights under the County's Employer-Employee Relations Policy and California law.

Personnel Files

The County maintains one official personnel file for each employee. Employees have the right to inspect their personnel files, and may do so by scheduling review with the Deputy County Administrator – Personnel and Risk Manager during regular business hours of the County. No adverse comment will be entered into the employees personnel file without the employee first receiving a copy of the document and the opportunity to read and sign the document except the document may be entered into the file if the employee refuses to sign the document, which shall be so noted.

The employee has the right to submit a rebuttal to any information being entered into their personnel file within thirty (30) days.

If the employee wishes to have a representative review their personnel file, the employee will provide the County written authorization.

Effect of Prior Memorandums of Understanding

This Memorandum of Understanding shall supersede all prior agreements and Memorandums of Agreement or Understanding, contrary salary, personnel resolutions, oral or written, express or implied, between the parties, and shall govern the entire relationship and shall be the sole source of any and all rights which may be asserted hereunder.

Severability

Should any provision of this MOU be found to be inoperative, void, or invalid by a court of competent jurisdiction, all other provisions of this MOU will remain in full force and effect.

Term

This Memorandum of Understanding will be effective May 17, 2022 through September 27, 2025.
