Additional Requirements – Please Read

In addition to specific documents required for the particular project type for which you are applying, the following documents are required:

Right to Farm Statement of Acknowledgment

(See the following page for the Form)

Siskiyou County has established agriculture as a priority use on productive agricultural lands, and residents of property in agricultural districts should be prepared to accept some inconvenience or discomfort from normal and necessary farm operations. It will be recognized that the property in question may be in the vicinity of property utilized for agricultural purposes. Residents of the development may be subject to the inconvenience or discomfort arising from the use of agricultural chemicals including herbicides, pesticides, and fertilizers, and from the pursuit of agricultural operations including plowing, spraying, pruning, and harvesting, which occasionally generates dust, smoke, noise and odor. As part of the application acceptance process, a **Right to Farm Statement of Acknowledgment** will be required. Once you have submitted an application, the statement will be prepared and sent to you for your signature which must be notarized. Your application will not be considered to be complete and ready for formal processing until such time as the signed and notarized Right to Farm has been completed and returned to Planning Division staff along with a check for the recording fee. Staff will have the document recorded at the County Recorder's Office. The average recording fee is \$92.00, but a schedule of the recording fees will be provided at the time the document is sent to you for signature. You may ask for a draft to familiarize yourself with this notice.

Instructions for Completion of the Right to Farm Statement of Acknowledgment

The Right to Farm Statement of Acknowledgment must be signed in the presence of a Notary Public. Once that has been done, provide the **original signed hard copy** to the Planning Division Permit Technician along with your other application documents. Be sure to include a check for the recording fee which is to be made payable to **Siskiyou County Recorder**.

The Recorder's fees are as follows:

State Fee (\$75.00) and Recorder's fees—first page	\$89.00
Each additional page	3.00

For example, the fee for the Right to Farm document and a one-page Notary Acknowledgment would be \$92.00.

Our office will have the Right to Farm recorded, and the Recorder's office will return the original recorded document to you and provide us with a copy for our file.

STATEMENT OF ACKNOWLEDGMENT**

Pursuant to Siskiyou County Code, Section 10-11.01 et seq., the undersigned acknowledge:

DISCLOSURE

If your real property is adjacent to property used for agricultural operations or included with an area zoned for agricultural purposes, you may be subject to inconveniences or discomforts arising from such operations, including but not limited to noise, odors, fumes, dust, the operation of machinery of any kind during any 24-hour period (including aircraft), the storage and disposal of manure, and the application by spraying or otherwise of chemical fertilizers, soil amendments, herbicides and pesticides. Siskiyou County has determined that the use of real property for agricultural operations is a high priority and favored use to the County and will not consider to be a nuisance those inconveniences or discomforts arising from agricultural operations, if such operations are consistent with accepted customs and standards.

Procedures for resolution of disputes are included with the cited code section.

Agreement for Indemnification

(See the following page for the form)

An Indemnification Agreement will be required for your project. Please contact the Planning Department to determine if an Indemnification Agreement will be required for your project. An Indemnification Agreement is an agreement where the applicant and property owner agree to be responsible for any costs associated with any and all damage, liability or loss connected with the granting of the project. Once you have submitted an application, the agreement will be prepared and sent to you for signature. Your application will not be considered to be complete and ready for formal processing until such time as the signed agreement has been returned, in addition to any other application requirements. You may ask for a draft to familiarize yourself with the requirements and obligations.

AGREEMENT FOR INDEMNIFICATION

THIS AGREEMENT FOR INDEMNIFICATION ("Agreement"), made and entered into on _____, is by and between the COUNTY OF SISKIYOU, a political subdivision of the State of California ("COUNTY"), and _____ ("APPLICANT").

WITNESSETH:

WHEREAS, APPLICANT has requested the COUNTY to accept, review, consider and approve APPLICANT's application for the project described on Exhibit "A" attached hereto and made a part hereof, referred to herein as the "Project" and to make the related California Environmental Quality Act ("CEQA") decision (collectively, "Current Approvals") in connection with APPLICANT's proposed Project located in _____, Siskiyou County, California; and

WHEREAS, APPLICANT intends to have prepared an environmental disclosure document ("EIR/EA") which jointly satisfies both CEQA and the National Environmental Policy Act ("NEPA") in connection with the Project; and

WHEREAS, it is in the public interest for APPLICANT to indemnify and hold harmless COUNTY from any and all damage, liability or loss, or claim of damage, liability or loss, connected with or arising out of the granting of the Current Approvals or any action taken or decision made by COUNTY approving, supplementing, or sustaining the Project, or any part thereof.

For purposes of this AGREEMENT, Current Approvals shall include, but are not limited to, certification of a categorical exemption, a negative declaration, an environmental impact report or a mitigated negative declaration, making findings, approval of mitigation measures or conditions of approval, approval of mitigation monitoring and reporting programs, or adoption of a statement of overriding considerations as well as issuance of any permits, and any discretionary and/or ministerial approvals.

NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN COUNTY AND APPLICANT AS FOLLOWS:

1. APPLICANT shall defend, indemnify and hold harmless COUNTY, its agents, officers and employees from any claim, action, or proceeding (collectively, "Action") against COUNTY, its agents (including consultants), officers or employees to attack, set aside, void, or annul the Approvals, or any part thereof, or any decision, determination, or action, made or taken approving, supplementing, or sustaining, the Project or any part thereof, or any related approvals or Project conditions imposed by COUNTY or any of its agencies, departments, commissions, agents (including consultants), officers or employees, concerning the Project, or to impose personal liability against such agents (including consultants), officers or employees resulting from their non-negligent involvement in the Project, which Action is brought within the time period provided by law, including any claim for private attorney general fees claimed by or awarded to any party from COUNTY. To the extent that COUNTY uses any of its resources responding to such Action, APPLICANT shall reimburse COUNTY in accordance with this Agreement for the documented use of such resources within thirty (30) days of receipt of such documentation. If APPLICANT does not reimburse all costs within thirty (30) days of receipt of such

documentation, a penalty shall accrue on the unpaid amount at a rate of 12% per annum compounded daily. Such resources include, but are not limited to, staff time, court costs, or County Counsel's time at a rate equal to its total cost, Defense Counsel for COUNTY or any other direct costs associated with responding to the Action. This agreement and the obligation of APPLICANT to indemnify COUNTY hereunder shall expire upon the expiration of the later of (i) the challenge period (including any Appeal) for the Approval (if no challenge is made) or (ii) the dismissal and/or settlement of any challenge which is timely filed.

2. COUNTY shall promptly notify APPLICANT of any Action. APPLICANT shall defend COUNTY through counsel selected by COUNTY. COUNTY shall cooperate with APPLICANT in the fulfillment of APPLICANT's responsibilities hereunder.

3. COUNTY may, within its sole discretion, determine its degree of participation in the defense of any such Action. COUNTY will cooperate with APPLICANT in any defense. Cooperation does not include taking any action or making any decision that COUNTY does not feel is in its own best interest and COUNTY reserves the right to settle or resolve the action after consultation with APPLICANT.

4. Defense counsel shall report to and receive direction from County Counsel with respect to representation of COUNTY.

5. Nothing in this Agreement shall be construed in a manner that requires COUNTY to exercise its legislative discretion in a particular manner.

6. APPLICANT shall not be required to pay or perform any settlement of such Action unless APPLICANT approves the settlement in writing. At the APPLICANT's request COUNTY shall consider changes to any Current Approvals granted to the Project, or any part thereof, at APPLICANT's sole cost and expense. Nothing herein shall obligate COUNTY to make or approve any such change and any change shall be made according to such procedures and under such terms and conditions as provided by law or as COUNTY in its sole discretion deems appropriate.

7. In the event that any Action covered by the terms of this Agreement is brought against COUNTY, APPLICANT shall, within ten (10) days of receipt of written notice by COUNTY of such Action, tender to COUNTY the sum of Fifteen Thousand Dollars (\$15,000) as the "Initial Deposit" for defense of said Action. Additional deposits, if necessary, shall be made as set forth below.

- a. If the COUNTY's reasonable, good faith estimate of the cost of defense of the Action ("Estimate") is Thirty Thousand Dollars (\$30,000) or less, then, within twenty (20) days of written notice by COUNTY of the Estimate, APPLICANT shall make an additional deposit equal to the difference between the Initial Deposit and the Estimate.
- b. If the COUNTY's Estimate is greater than Thirty Thousand Dollars (\$30,000) then, within twenty (20) days of written notice by COUNTY of the Estimate, APPLICANT shall make an additional deposit of Fifteen Thousand Dollars (\$15,000.00) plus 50 per cent (50%) of the difference between \$30,000 and the Estimate. In no event shall the total amount on deposit at any one time exceed \$40,000.
- c. COUNTY shall notify APPLICANT of withdrawals of any funds from this account by COUNTY and shall, on a reasonable basis, provide APPLICANT with reasonable documentation, for all funds so withdrawn.

- d. If, as a result of withdrawals by COUNTY the balance in this account drops to less than the Initial Deposit (\$15,000) and the action is ongoing and unresolved, then APPLICANT shall within fifteen (15) days after receipt of written notice by COUNTY, tender such additional sum so as to maintain the account at \$15,000. If and when the total sum deposited to the account by APPLICANT totals the Estimate, the parties agree to meet and confer with regard to any additional deposit, or deposits which may be necessary, if any.
- e. At the conclusion of the Action, any excess funds in COUNTY's possession shall be returned to APPLICANT. Conclusion of the action means the dismissal, settlement or expiration of any Appeal period for the action.

8. In the event that any dispute arises between the parties arising out of the terms and conditions of this Agreement, the parties agree to meet and confer to resolve any such disputes on an informal basis. If the dispute is not resolved, the parties agree to attempt to resolve the dispute through mediation. Venue for any proceeding brought in State Court shall be Siskiyou County.

9. All notices under this Agreement shall be deemed valid and effective immediately upon receipt and may be served by personal service, or by recognized overnight carrier addressed as follows:

Any party may, by written notice to all other parties to this Agreement, revise the address at which that party receives written notice under this section.

10. If APPLICANT fails to pay COUNTY the "Initial Deposit" or fails to make timely deposits as required, COUNTY may, after ten (10) days written notice to APPLICANT, declare APPLICANT in default. Such default may be considered by COUNTY, in its sole discretion, as an abandonment of the project and COUNTY may cease processing the project and revoke any Approval or take any action as determined appropriate in its sole discretion. Such default, however, will not relieve APPLICANT of its obligation to indemnify and hold COUNTY harmless as set forth in this Agreement.
