**TUBERCULIN SKIN TESTING CLINIC SCHEDULE - No appointment necessary**

MONTH	YREKA 810 SOUTH MAIN ST 8:00 AM - 9:00 AM	
	<b>TESTING</b>	<b>READING</b>
	Tuesday 8am-9am	Friday 8am-9am
<b>April</b>	<b>21<sup>st</sup></b>	<b>24<sup>th</sup></b>
<b>May</b> <i>*Please note time change for this month only*</i>	<b>26<sup>th</sup></b> <b>*(10am-11am)</b>	<b>29<sup>th</sup></b>
<b>June</b>	<b>16<sup>th</sup></b>	<b>19<sup>th</sup></b>

There is a \$20.00 fee for each TB skin test (cash or check only). This fee is required and not subject to a waiver.

There is a \$9.00 charge per immunization for State supplied vaccine there is no charge for children who are CHDP or Medi-Cal eligible.

The cost of all other vaccine is determined by the retail cost of the vaccine plus an administration fee. Exact change or checks, with valid ID, would be appreciated. We are unable to accept credit/debit cards or bill insurance.

Persons eligible for State supplied vaccine will not be denied those vaccines for inability to pay.

Children covered with private health insurance are no longer eligible to receive immunization services at Public Health. Please contact your primary medical provider to obtain vaccinations.

Adults who are Managed Medi-Cal/Partnership Health Care Plan recipients are fully-insured and should obtain immunizations from their primary medical provider.

Public Health is not a Medicare participating provider, therefore not able to bill Medicare. Medicare recipients may still obtain vaccinations at the health department, but will be charged the prevailing rate and are not eligible for Medicare reimbursement.

We do not bill private insurance. A receipt will be issued which beneficiaries may use to submit for reimbursement from their private insurance. This is provided as a courtesy and no guarantee of reimbursement is implied.

Please bring any prior immunization records with you.

A parent or legal guardian must be present in order for services to be provided to children under the age of 18 unless a Public Health Consent Form accompanies the child. For more information or to obtain this document, call Public Health at 841-2134 or go on-line at: <https://www.co.siskiyou.ca.us>.

Injectable Flu vaccine is available during the flu season for those 6 months of age and over for \$9.00. No nasal flu mist is available.

Travel vaccine information is available at <https://wwwnc.cdc.gov> or at Siskiyou County Library branches in Yreka and Mt. Shasta (reference). Please consult either one prior to calling for an appointment, as staff cannot recommend which vaccines you should obtain; anti-malarial medication is not available at these clinics. You may also consult your private physician or local pharmacy for vaccine costs and availability.
